RATES CURRENT AS OF 10/04/2025

[#] - all purpose rate

^{*} - higher rate radial travel bands apply up to 105km

The ETU is campaigning for an overall uplift of rates and conditions via an 'industry-standard' Enterprise Agreement and we've had some good wins recently with Fredon and Everett-Smith. UNION DENSITY within the workplace is KEY to this campaign. If you're not a member yet, do yourself and your sector a favour by sharing the responsibility of fighting for better wages and benefits.
